

Terms of sales

Participation in “Numizon Sale # 6” implies acceptance of these rules. **Creation of an account on our website [numizon.com](https://www.numizon.com) is necessary to participate in this sale.**

1 / “BUY NOW” OPTION

- Lots are listed with a sale price reflecting our estimate on the market.
- Lots can be purchased immediately after the auction opens. From our website, just add the lot to the basket and proceed to payment.
- A participation fee of 10 % (12 % with VAT) is applied in the basket in addition to the price displayed. These costs pay for our service.
- Placing the lot to the basket is not sufficient to guarantee the purchase. Indeed, a lot is always available for sale as long as it has not been paid for. Only the payment, which follows an order, makes the lot yours and makes it unavailable to the other participants.

2 / “PLACE AN OFFER” OPTION

- An offer is a purchase proposal lower than the displayed price.
- An offer commits you to buy the lot if this offer is declared the winner.
- To place an offer, all you have to do is to connect to our website, to consult the lot and to enter the amount of your offer.
- An offer is not cancellable, but you can increase it by submitting a new offer greater than the first one.
- A participation fee of 10 % (12 % with VAT) is applied in the basket in addition to the offer.
- An offer must be higher than the reserve price.
- At the end of the sale, the best offer received is declared the winner. The author of this offer will see the winning lot displayed in his basket within 24 hours. He can thus proceed to the payment.
- In the event of a tie on the amount of the best offers, the first offer received wins the lot.
- Warning: A lot purchased with an “Buy Now” option will result in the cancellation of all offers received on this lot.
